Introduced by Senator Margett

February 9, 2004

An act to amend Section 19596 of the Business and Professions Code, relating to horse racing, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

SB 1183, as introduced, Margett. Horse racing.

Existing law provides that the California Horse Racing Board may authorize a harness racing association in this state to accept wagers on races conducted by the racing association that conducts the Breeder's Crown Stakes, if the race is conducted on the same day as the Breeder's Crown Stakes and if the association in this state that accepts those wagers is then conducting a live racing meeting.

This bill would expand this authority to permit a California harness racing association conducting a live racing meeting to accept wagers on the full card of races conducted by another racing association on the day that other association conducts the Breeder's Crown Stakes, the Meadowlands Pace, the Hambletonian, or the North American Cup.

Under existing law, all revenues distributed to the state as license fees from horse racing are required to be deposited in the Fair and Exposition Fund and are continuously appropriated to the Department of Food and Agriculture for various regulatory and general governmental purposes.

This bill would authorize additional wagering, and would increase correspondingly the amount of continuously appropriated license fees, thereby making an appropriation. This bill would also result in a change in state taxes for the purpose of increasing state revenues within the meaning of Section 3 of Article XIII A of the California Constitution, thereby requiring a 2/3 vote for passage.
